

👁️ CFW: BLACK LIGHT – Episode 2

Broadcast via CFW's YouTube Channel

[OPENING SCENE – BRANDI BLIGHT'S BEDROOM]

The camera fades in on a softly lit bedroom — neon lights line the walls, casting pinks and purples across a pristine makeup counter. Funky posters, a streaming mic, and LED décor make it look like a content creator's haven.

BRANDI BLIGHT sits in a plush gaming chair, arms crossed, legs up, flawless makeup, but her eyes are all venom.

BRANDI BLIGHT (sneering):

“For the last two years, I’ve had to deal with a dirty little runt who *never* belonged in Iron Ring Pro. I beat her. **Twice**. When she challenged me for my IRP Women’s Title, I put her down — twice. And I thought I was done with her. But no... Lena Wilde doesn’t get it.”

She leans forward, sarcasm dripping.

BLIGHT:

“She followed me *here*, to CFW — dragging her flannel and thrift-store gear like some stray mutt. Lena, nobody wants you here. You were always a placeholder — under-sized, under-talented, under-*everything*.”

Brandi stands now, pushing the chair back, tone rising.

BLIGHT:

“Reclamation? That was a fluke. You snuck one by me in some fringe rules match. One lucky knee and suddenly you think you’re real? You’re not. You’re a warm-up act. You’re a *punchline*.”

She steps closer to the camera.

BLIGHT (cold):

“This Sunday — at Afterglow — in that Triple Threat? I end this. I don’t just beat you, Lena. I humiliate you. One. Last. Time.”

She grabs the camera and leans in for the last line:

BLIGHT (quiet, unblinking):

“You’ve made the mistake of waking up a monster wearing makeup.”

[SCENE FADES OUT]

[CUT TO: CFW OFFICE – NIGHT]

A dimly lit backroom. An old *tube television* sits on a metal cart, flickering static. A **VHS player** is plugged in, tape whirring. We only see the back of the TV — not what’s on the screen.

Standing just feet away is **RONNIE KIXX** — hands on his head, face pale, unmoving. His jaw trembles.

RONNIE KIXX (whispers):

“What the f—”

He doesn’t finish the sentence. The screen flashes, distorts, and cuts to black.
