SPEEDRUN

Bert McDaniels

Chaz Del Rio

Pyro clears as Bert McDaniels and Chaz Del Rio stand in the ring.

Bert McDaniels: "Welcome to SpeedRun Episode 6, live with a brand new look and a whole lot at stake. We've got an exciting night ahead, including more opening round action in the **Black Light Championship Tournament**. And later tonight, everything that's been building comes to a head in our main event, as fan favorite **Lola Rose** steps into the biggest opportunity of her career against a very different **Brandi Blight**"

Chaz Del Rio: "Different indeed, Bert. Since joining **The Seers**, **Brandi** has become even more unpredictable. And speaking of wild cards, we're about to hear from the increasingly dangerous

Reign Rökk."

A WARNING SHOT

Reign Rökk stands among cages and chains, eyes locked on the camera.

Reign Rökk: "What about a man smashing you in the back of the head with brass knuckles made you think I care about your standards, Adam? You beat me, fair and square, yeah. I can say it. But don't mistake that for acceptance. What sticks with me is watching you walk in here acting like you set the bar for everybody, like your name means more, like this place needed Adam Stryker to teach it how to fight. You call me a coward? Fine. You've got courage. Good for you. It won't make a damn bit of difference when I bash your head in again. And now you want a cage? You want to lock yourself in there with me and call it revenge? At Locked In, I'm not fighting for standards or pride. I'm fighting to drag you down and remind you this world doesn't belong to you."

ZENIX METAX VS AGUILA FERAL

Águila Feral and Zenix Metax stand nose to nose before the bell

Chaz Del Rio: “We’re kicking things off with an opening round match in the Black Light Championship Tournament, and you have to think **Águila Feral** is one of the favorites to win the whole thing. He’s been one of, if not *the* most feared man in all of CFW.”

Match: Feral comes out hunting, overwhelming Zenix early with relentless pressure and sudden violence. Metax is forced to adapt on the fly, surviving the chaos with sharp counters, quick bursts, and smart movement. As the match wears on, The Prism begins to solve the pace, shifting momentum with a Moonstomp and forcing Feral into a faster, more competitive fight than expected. What begins as survival turns into a breakout showing for Zenix, who proves he can hang with one of CFW’s most feared men.

MAIN EVENT

SPEEDRUN

LOLA ROSE VS BRANDI BLIGHT

Lola Rose

Lola heads to the ring beaming as the crowd rallies behind her.

Chaz Del Rio: “Lola Rose closed the book on her rivalry with Rokkit, but the story didn’t end there. Rokkit stands with the Seers, and so does Brandi Blight. That’s the shocking part. Brandi was one of CFW’s loudest, most arrogant originals, someone who only looked out for herself. Now she’s quiet, almost silent since joining them, and that change might make her more dangerous than ever.”

Match: The crowd rallies behind Lola Rose as her bursts of speed and heart ignite the arena. Brandi Blight answers with cold, silent intensity, slowing the match with precise control and methodical pressure. Lola keeps finding sudden openings that bring the fans to life, while Brandi drags the pace back to her disciplined rhythm, turning the match into a tense clash between passion and control.
