## ROLL OF RECKONING

Killjoy

Adam Stryker

**Show open:** *The Roll of Reckoning begins as KillJoy casts a long shadow over the table*

The camera cuts inside a packed Foundry as the crowd roars. Adam Stryker and KillJoy stand across from each other with the Roll of Reckoning table between them. A referee prepares the wooden CFW dice box as both men stare straight ahead. KillJoy stands motionless beneath his mask. Stryker looks ready for a fight right now.

**BERT MCDANIELS:** "Welcome to SpeedRun and we are wasting absolutely no time tonight."

**CHAZ DEL RIO:** "Adam Stryker wants Ace Dalton and the CFW World Championship, but The Seers keep putting bodies in front of him."

**BERT MCDANIELS:** "And now that body is KillJoy... and that might be the worst one yet."

**CHAZ DEL RIO:** "Sixteen possible match types loom over these two. Some standard. Some brutal. Some completely insane."

**BERT MCDANIELS:** "Barbed wire Steel Cage. Last Ride. Gulf of Mexico. Lego Apocalypse. Don't laugh... it all on the table tonight."

**CHAZ DEL RIO:** "It's time for Roll of Reckoning!"

**ROLL**

**BERT MCDANIELS:** “The roll is 4! Now it’s official! Adam Stryker and KillJoy are going to war in a Venice Street Fight at Black Light 39!”

ROLL 4 OF 16

## Venice Street Fight

A fight spills into the rough streets of Venice, Florida where retirees are asleep by 8 PM and someone is still getting slammed through patio furniture. Weapons are legal. Pride is not protected.

**How to win:** Win by pinfall or submission.

**CHAZ DEL RIO:** “And for anyone unfamiliar with Venice, Florida... let’s just say it’s usually known for retirees, beach traffic, and early dinner specials. On Black Light 39, it’s going to get very ugly.”

MONTAG BLACK VS ALARIC GREEN

**Montag Black**

*Montag Black arrives at The Foundry and immediately has everyone's attention*

**BERT MCDANIELS:** "This man appeared out of nowhere, Chaz. No wrestling background. No paper trail. Just stories about being raised off the grid in Kentucky and chasing conspiracies most people wouldn't touch. Tonight he's standing across from one of CFW's toughest gatekeepers in Alaric Green."

**MATCH:** Green tries to drag Montag into a veteran fight early, slowing the pace with stiff strikes and grinding control. Montag answers with pure unpredictability, throwing wild punches, choking Green against the ropes, and tossing him across the ring with frightening strength. The crowd quickly realizes this newcomer is far more dangerous than advertised. Green settles things down and begins targeting mistakes, forcing Montag to work deeper into the match than he likely expected. Momentum swings back and forth as Green's experience starts taking over, but midway through, Montag erupts again. He overwhelms Green in the corner, drags him out and hurls him hard into the opposite turnbuckle. Green crashes awkwardly and stumbles forward as Montag closes in. The newcomer suddenly drives his hand into Green's mouth locking in the horrifying **False Flag** as The Foundry rises in shock.

SELINA SANTORINO VS LENA WILDE

Selina Santorino

*Selina Santorino arrives in style while her branding flashes on the screen*

**CHAZ DEL RIO:** “That was an impressive debut. We haven’t seen Alaric Green handled like that in CFW.”

**BERT MCDANIELS:** “Don’t write Green off, Chaz. That man’s built a career on surviving beatings and bouncing back. He’s as gritty as they come.”

The cameras cut through the crowd as crews reset the ring and SpeedRun rolls on. Moments later, the mood shifts completely as Selina Santorino struts through The Foundry filming herself on her phone, soaking in the boos like they’re applause. Every step feels calculated. Every pose feels rehearsed.

**CHAZ DEL RIO:** “And now we go from chaos to pure arrogance.”

**BERT MCDANIELS:** “Selina and Lena Wilde recently crossed paths outside of CFW, and tonight they face off one on one right here at The Foundry.”

**CHAZ DEL RIO:** “These two couldn’t be more different.”

The crowd erupts as **Paramore’s “Misery Business” hits.**

**BERT MCDANIELS:** “And here comes The Foundry’s hero.

SELINA SANTORINO VS LENA WILDE  
{CONTINUED}

**CHAZ DEL RIO:** “It can’t be overstated, Bert. Lena Wilde is the heart of this place.”

**BERT MCDANIELS:** “And she’s had plenty to say about Selina Santorino. Selina disagrees, but Lena believes she’s a bully after what we saw with **Mara Grave** on Black Light.”

**CHAZ DEL RIO:** “Agree or disagree, nobody knows bullies better than Lena Wilde.”

**MATCH:** Lena comes out swinging and immediately turns this into a fight, blasting Selina with sharp strikes and forcing her to retreat early. It doesn’t last. Selina quickly realizes she has nearly a foot of height on Lena and begins weaponizing every inch of it. She slows the pace with technical control, ragdolls Lena into the corners, and cuts off her bursts of offense with raw power. Every time Lena builds momentum with her scrappy counters and brutal strikes, Selina answers with something bigger. A hard slam. A vicious knee. A sudden **Pumphandle X-Factor** drops Lena hard and should end the match, but Selina doesn’t go for the cover. She smirks at the hard camera, talks trash to the crowd, and mocks Lena as she struggles to get back up. The match pushes deeper and The Foundry rallies harder behind Lena with every passing minute. She keeps surviving heavy slams, brutal throws, and punishment that should keep someone her size down. A massive lariat from Selina nearly turns Lena inside out.

**BERT MCDANIELS:** “Selina’s size may simply be too much for Lena Wilde to overcome tonight.”

That statement ages poorly. Lena drags herself back up and starts firing violent strikes into Selina’s jaw and ribs. Palm strikes. Forearms. Kicks. The crowd erupts as Selina is suddenly on the defensive. Lena keeps marching forward, feeding off the noise.

**CHAZ DEL RIO:** “This is why she’s the heart of this place!”

Five feet tall or not, Lena starts hitting like someone twice her size as The Foundry shakes. Then the crowd suddenly gasps. Lena pauses from the reaction. Selina turns toward ringside. Standing at ringside in a dark hooded robe... is **Brandi Blight**.

**BERT MCDANIELS:** “What is Brandi Blight doing out here?! We all know the history between her and Lena Wilde. That feud was settled in my eyes, Chaz. What the hell does she want now?”

Lena finally spots Brandi at ringside and freezes for just a second. That hesitation is all Selina needs. She pounces immediately, regaining control with ruthless precision. A brutal knee lift folds Lena in half. A snap powerslam follows. Then Selina climbs to the second rope and crashes down with **Hit The Like Button!** Brandi never says a word on the outside. She just stands there motionless, staring into the ring.

Selina drives Lena into the mat with another huge slam and finally goes for the cover.

Lena kicks out.

The Foundry explodes.

**BERT MCDANIELS:** “Lena is still alive!”

Frustration starts pouring out of Selina as she drags Lena back up and hooks her for another **Pumphandle X-Factor**. Lena slips free at the last second and unloads with heavy strikes that rock Selina backward. The crowd comes unglued as Lena hits the ropes looking for another burst of momentum...

Brandi suddenly reaches in from ringside and clips Lena’s leg just outside the referee’s line of sight.

Lena stumbles forward awkwardly...

right into Selina’s grasp.

Selina hooks the pumphandle.

The bell rings as The Foundry rains down boos.

**BERT MCDANIELS:** “The referee didn’t see the trip!”

**CHAZ DEL RIO:** “And I want to know exactly what that was about.”

**BERT MCDANIELS:** “It’s clear Brandi Blight has not moved on from Lena Wilde.”

Before Lena can even recover, Brandi slides into the ring and immediately begins stomping her on the mat.

**BERT MCDANIELS:** “There we go... what is wrong with her?”

**CHAZ DEL RIO:** “It’s disgusting. We’ve seen this from Brandi far too many times.”

Selina retrieves her phone and begins livestreaming the assault, looking genuinely surprised before quickly turning delighted by the chaos unfolding in front of her. She shouts at the referee to raise her hand as Brandi continues the attack. Brandi tears off the black robe and her strikes become even more vicious as Lena tries to cover up.

Selina keeps filming.

The crowd suddenly erupts.

Swanny

*The veteran Swanny takes in the moment*

**BERT MCDANIELS:** “Mara Grave making a brave save for Lena Wilde there.”

**CHAZ DEL RIO:** “And Brandi Blight’s hatred for Lena clearly hasn’t faded. If anything, it’s gotten worse since joining The Seers.”

**BERT MCDANIELS:** “We haven’t heard much from Brandi lately and after that... I’m fine keeping it that way. That was disgusting.”

Officials help Lena to the back as The Foundry resets for tonight’s main event.

**CHAZ DEL RIO:** “Now we shift to the Black Light Championship.”

**BERT MCDANIELS:** “Savior Hawkins has had an incredible run in CFW, capturing that championship quickly and proving he belongs.”

**CHAZ DEL RIO:** “And tonight the fight around that title heats up. Swanny and Ciaran Kennedy battle for the number one contender spot.”

**Less Than Jake’s “American Idle” hits** and The Foundry erupts.

Swanny bursts through the curtain, slapping hands and soaking in the moment. The smile fades to focus and determination.

SWANNY VS CIARAN KENNEDY  
{CONTINUED}

The lights dim and the mood shifts as Ciaran Kennedy steps through the curtain to a huge reaction of his own. The Saltire Saint looks focused, pacing with purpose before locking eyes with Swanny from across the ring.

**BERT MCDANIELS:** “Ciaran Kennedy has been circling this championship picture for weeks and he’s developed quite the rivalry with Savior Hawkins along the way.”

**CHAZ DEL RIO:** “And tonight he has a chance to make that rivalry official. Beat Swanny and he gets another crack at the Black Light Championship.”

**BERT MCDANIELS:** “That’s easier said than done. Swanny’s the veteran chasing the biggest opportunity of his CFW career. Ciaran is the hungry rising star trying to prove he belongs at the top.”

**MATCH:** The opening minutes feel like a chess match before quickly turning into something far more physical. Swanny uses veteran instincts to frustrate Kennedy early, slowing the pace, baiting mistakes, and catching him with slick counters that draw respect from the crowd. Kennedy answers with explosive bursts of athletic offense that swing momentum right back his way. A sharp dropkick sends Swanny to the floor. Swanny responds later with a brutal brainbuster that nearly steals it. Time passes and the pace keeps climbing. Kennedy starts finding openings with crisp combinations and bigger risks, but Swanny refuses to go away, answering with a slingblade and a nasty jumping knee that brings The Foundry to its feet. Near falls begin stacking up as both men push deeper, and it becomes clear this main event is turning into something special.

**TIME: 5:47** The match begins shifting in Kennedy’s favor as his problem-solving instincts kick in. After struggling to keep up with Swanny’s unpredictable veteran counters, Ciaran slows things down and starts dissecting Swanny’s left leg after a rough landing on a missed aerial attempt. He stomps the knee, wraps it around the post, and targets it with ruthless precision. Every attack feels deliberate. Every movement has purpose.

**CHAZ DEL RIO:** “That’s what makes Kennedy dangerous. He adjusts fast.”

Swanny refuses to let the match become clinical. He starts improvising, fighting through the damaged leg with desperation and veteran instincts. He catches Kennedy rushing in with a sudden enziguri, follows with a slingblade, then somehow lands a one-legged **KA-POW Kick** that nearly blows the roof off The Foundry.

**TIME: 8:11** Swanny can barely put weight on the leg but keeps finding answers. Kennedy blasts him with vicious strikes and a brutal release dragon suplex with **The Saint**, but Swanny survives. He later counters a charging Kennedy into a desperation flatliner for a razor-thin two count.

The pace keeps rising.

Kennedy remains composed while Swanny digs deeper into experience and heart. One man is trying to solve the match. The other refuses to let his dream die. The Foundry realizes they’re watching something special.

**TIME: 10:04** Kennedy looks moments away from taking complete control as he charges in for **The Mercy Kill**, but Swanny digs deep and sidesteps at the last possible second.

Kennedy’s missed momentum gives Swanny just enough leverage to pull him in and spike him with **Brain Stew**, his brutal Storm Cradle Driver that drops Kennedy on his head and sends The Foundry into chaos.

But the damage comes at a price.

Swanny immediately grabs at the injured leg, screaming in pain after tweaking it on impact. He crawls into the cover instead of hooking it clean.

**TIME: 12:18** The pace somehow climbs even higher. Swanny escapes **The Saltire Spike** at the last second and nearly steals it with **Sugar, We’re Going Down**, but Kennedy barely gets a shoulder up! The crowd is fully standing now. Every counter feels match-ending. Every kickout gets louder. And neither man is backing down.

**TIME: 13:41** One final surge sends this match into overdrive. Both men trade frantic counters as exhaustion starts taking over. Swanny can barely stand on the injured leg but keeps firing back. Kennedy whips him into the ropes and catches him on the return with a devastating **Mercy Kill** knee that sends Swanny tumbling over the top rope to the floor. The pace suddenly slows. The referee begins counting as Swanny struggles to pull himself up using the barricade.

**CHAZ DEL RIO:** “Not like this...”

Kennedy watches from the ring and shakes his head. He doesn’t want this ending in a count out. He rolls to the floor and moves toward Swanny to drag him back into the ring. It backfires.
